Admissions and Application Information, 2023-2024

Dear Parents,

Thank you for your interest in University Preparatory School, a high achieving top ranked public charter school. Its mission to immerse all students “in rigorous academics and meaningful extra-curricular activities” is supported by a collaborative and close-knit community of staff, students, and parents and is based upon educational research and professional experience. The faculty and staff work together to provide students with many opportunities to excel academically and develop their potential as educated leaders and citizens in the 21st century through a rich and varied extra-curricular program. This vision is supported by offering a seven-period day to students from grades 6 through 12 so that they may pursue academic interests, such as studying multiple world languages or continue their development in the arts, including dance, drama, art, and music. The objective of this mission is to enable all students to become self-motivated, competent, and life-long learners.

This packet provides information on our admission policies and our charter lottery process, an Application for Admission and deadlines for submission, and the Student Participation Survey. *Please be aware that in order for an application to be valid, the following two documents are required:*

1. Completed Application for Admission Form

- **Applications will be available online (www.uprep.net), on the school app (U-PrepPanthers, under Documents) and in the school office on Thursday, December 1, 2022.**
- Deadlines for application submission are as follows:
 - *1st Application Period:* Completed applications must be postmarked, emailed (slanzi@suhsd.net), or faxed (530-245-2791) by January 31, 2023. Applications may also be submitted in the school office through January 31, 2023.
 - *2nd Application Period:* All applications must be postmarked, emailed (slanzi@suhsd.net) or faxed (530-245-2791) by February 28, 2023. During this application period, completed applications may also be submitted in the school office through February 28, 2023.
 - After February 28, 2023, please contact the registration office at 245-2793 for information on admissions.

Note: If requested at the time of application, parents/guardians may receive a dated photocopy of their Application for Admission.

2. Student Participation Survey (attached to Application for Admission)

If your student is admitted following open enrollment or randomly selected; as in the case of the lottery, the following *additional* documents must be completed in order to maintain acceptance status:

1. Registration Form
2. Emergency Card

Admission Policy

- Students will be considered for admission without regard to actual or perceived disability, gender, gender identity, gender expression, nationality, race or ethnicity, religion, sexual orientation, or any other characteristic that is contained in the definition of hate crimes set forth in Section 422.55 of the Penal Code or association with an individual who has any of the aforementioned characteristics.
- University Preparatory School will actively recruit a diverse student population from families who understand and value the school's mission and are committed to the school's broad-based approach to a classical education.
- Admission to the school is open to any 6 -12th grade student in Shasta County or adjacent counties who has completed the application process.
- Parents must complete an Application for Admission and students must complete the Student Participation Survey. These forms are required for an application to be considered complete. Parents guarantee that the information represented in the Application for Admission and the Student Participation Survey is accurate.
- The school will grant admission preference during the first application period to currently enrolled students who wish to return, siblings of admitted or attending students, children of school employees, residents in the Shasta Union High School District boundaries, and applicants who were in either the first or second lottery the previous year and remained on the waiting list throughout the year.
- The decision to readmit a pupil expelled from University Preparatory School or admit a previously expelled pupil from another public school shall be in the sole discretion of the Governing Board following a meeting with the Superintendent/Principal, the pupil and guardian or representative to determine whether the pupil has successfully completed the rehabilitation plan and to determine whether the pupil poses a threat to others or will be disruptive to the school environment. The Superintendent/Principal shall make a recommendation to the Governing Board following the meeting regarding his or her determination. The pupil's admission is also contingent upon University Preparatory School's capacity at the time the student seeks admission.

Lottery Process

The lottery is held as required by law and according to our school's charter, with admission preference given in the following order:

- Sibling(s) of admitted or attending student(s). Sibling preferences may not be exercised by student applicants who have previously attended U-Prep and subsequently transferred to another school.
- Children of U-Prep employees.
- Residents in the Shasta Union High School District boundaries.
- Applicants who were in either the first or second lottery the previous year, and remained on the waiting list all year.

All applicants *who are exercising a preference* must submit their applications by January 31, 2023. These applicants are admitted or run through the lottery first, in accordance with the order of their designated preference. Note: For clarification purposes, current students who have indicated that they are returning to U-Prep will keep their status as enrolled students and are not required to go through the lottery process.

First Lottery (Draw of applications received during the first application period, Dec. 1, 2022 – Jan. 31, 2023): Any remaining seats following placement of *applicants with preference* are filled accordingly:

- (1) If the remaining seats can accommodate all of the First Lottery applicants, then these applicants will be admitted on February 1, 2023.
- (2) However, if the number of First Lottery applicants exceeds the number of seats available for enrollment, then a lottery is required; all First Lottery applicants are assigned a number that is then randomly drawn at the First Lottery Draw in March. Once the number of seats available are filled, then the remaining applicants are placed on a waiting list in the order in which they were drawn.

Second Lottery (Draw of applications received during the second application period, February 1– 28, 2023): Following the First Lottery Draw, the assigned numbers of all Second Draw lottery applicants will be randomly drawn (NOTE: The First and Second Lottery draws are held on the same day in March.) Any available seats will be filled in order of the random drawing. Once seats are filled, then the draw will continue until all Second Lottery applicants are placed on a waiting list. The waiting list represents the order in which an applicant's number was drawn.

Waiting List Information

Applicants placed on a waiting list as a result of a lottery will be notified when a seat becomes available. Applicants will be notified in the order established on the waiting list. When a seat is offered to a waiting list applicant, the parent is given two school days to inform U-Prep of their acceptance. If no response is received, then the applicant will be moved to the bottom of the waiting list. NOTE: No student currently enrolled in a local school will be admitted after the fourth quarter has begun.

Parent Participation

University Preparatory School staff, parents, students, and community partners' work together to fulfill the mission and vision of the school. We are invested in developing confident, capable, and compassionate citizens in each of our students, and thank you in advance for your commitment to take a supportive role towards this endeavor. The school requests, not requires, that parents contribute 10 service hours per year. Parent participation at U-Prep includes, but is not limited to:

- Driving students for field trips or sports;
- Supporting our Educational Foundation through volunteerism;
- Purchasing supplies from the wall of wishes;
- Working on school fine/performing arts events; and,
- Teaming with other parents to support school programs through boosters clubs (e.g. Athletic Boosters, Musical Foundation, Music Boosters).

If you have any questions, please don't hesitate to contact our Registrar, Sandy Lanzi, at 245-2793.

Sincerely,

Rochelle Angley
Superintendent/Principal

U-Prep Dress Code Philosophy and Policy

At U-Prep the partnership between parents, students, and school is the foundation of our culture and environment. The dress code is an integral part of what makes our school unique and we ask families to support these rules. There are a number of reasons that we instituted this code. First of all we feel it is important to teach young adults how to present themselves in a business-like manner. Learning that there are situations that call for more formal attire, as well as times when casual dress is not appropriate is a life skill that will serve students beyond their schooling. There are many dress up and school spirit days that provide opportunities to dress differently. We believe that our dress code contributes to the academic environment, allows students to focus on their work, and sets U-Prep apart from other schools. U-Prep is a school of choice and supporting the policies that inform our culture is an important consideration in the decision to enroll your student.

U-PREP DRESS CODE

There are high standards for dress and appearance at U-Prep. U-Prep's dress code supports the academic environment by preventing disruption to student learning; it also insures student safety. All dress code policies shall be applied at the Superintendent/Principal's discretion as the need for it arises. Listed below are additional basic guidelines to help students dress appropriately for U-Prep's learning environment:

- Hats: Hats or head coverings shall not be worn on campus during the time school is in session, unless for health and safety or for religious observance. Hats may be worn at after-school activities unless the administration has determined that hats or other attire would contribute to an unsafe environment. Permission to wear hats can be granted by a student's instructor. The administration has the authority to permit the wearing of hats on designated occasions, such as dress-up days, and special performances such as musicals, plays, or as part of a uniform or for verified health reasons. When students bring hats or head coverings to school, those items should be kept in backpacks or lockers. Hats may be worn at outside games and events.

- Gang-Related Dress: Paraphernalia or clothing worn by students that is determined by administration to be gang-related is prohibited while school is in session, to and from school, and at school-sponsored functions. U-Prep's dress code prohibits any apparel, jewelry, accessories, etc., which by its color, arrangement, trademark or any other attribute, denotes membership in gangs or organizations which advocate drug use, violence or disruptive behavior.
- All clothing will be clean, neat, and without aggressive holes or distressed rips and tears. Pants and shorts are not to be worn below the waist and no undergarments shall be visible at any time. Aggressive holes or distressed rips/tears above the knee are not permitted.
- Shorts, dresses, skirts, etc., must be of appropriate length. A 3-inch inseam is recommended. Aggressive holes or distressed rips tears are not permitted.
- Tops must cover the midriff, sides of the body, back, and undergarments. Tops with low necklines, or are see-through are not permitted.
- Pajamas, pajama-like apparel, and slippers are not allowed to be worn to school.
- No costumes shall be worn except on special dress-up days arranged by the student government and approved by the administration.
- U-Prep's dress code prohibits any apparel, jewelry, accessories, or personal belongings, which have profane or suggestive slogans, put-downs, advertising of illegal substances, references to alcoholic or illegal products, violence, or disruptive behavior in the school environment. Accessories with spikes, studs, safety pins, pocket, or other chains including chokers are not permitted.
- Ear piercings and nose studs are permissible except during athletic participation. For safety purposes, all other piercings are not permitted.
- Students shall not have spiked hair that is longer than 2 inches or hair that is dyed or partially dyed unnatural colors (such as purple, pink, green, blue, etc.) with the exception of designated spirit days (in which case the dye should wash out). Students may not wear their hair in a "Mohawk" or similar style except on designated spirit days. Students may not shave symbols into their hair.
- Students are required to have proper footwear for physical education and fitness classes.

- Unless otherwise indicated by administration, the dress code applies to all dances and designated school activities.
